PROPERTY DESCRIPTION

This well-maintained 3 bedroom, 1 1/2 bath colonial is truly a home that should not be passed by. It gives a new meaning to the phrase "Pride of Ownership". The owners have both handyman skills as well as a true flare for decorating. Many hours have been devoted to home improvement and it shows! Updates include C/A, carpeting less than 2 years old, fresh paint, updated Kitchen with a large Breakfast Bar and the Dining Room has a decorative built-in corner hutch that gives the room a colonial charm. There are new windows throughout that tilt-in for easy cleaning. The bath upstairs has been updated and the half bath in the lower level was creatively decorated. The lower level is clean and dry and exits through a Sun Room, which has also been tastefully decorated. Exit the Sun Room to a large back yard that's completely fenced in. Many small touches have been added too numerous to mention. The proud owners of this residence cordially invites you to visit their lovely home.
