Make your entrance through the foyer with pergo flooring and observe the open floor plan with neutral colors. The kitchen has updated cabinets, a pantry and glass sliders to a beautiful private front patio with pavers. The family room has a lovely decorative electric fireplace and the glass sliders give you access to a large deck (15x13). For additional living space there is a finished basement (16x12) and the homeowners have provided the home with newer carpeting, the windows & roof were replaced in 1996 and a new heating system was installed in 2008. This lovely townhome is close to major routes, schools & shopping. Make an appointment to see this home before it's gone.
