PROPERTY DESCRIPTION

This little Ranch is a polished gem! Only a year ago this cozy Ranch was totally rehabbed. It was originally a 2 bedroom, one bath but was converted to a 3 bedroom, one and a half bath. The rehab included updating the full bath and adding a brand new half bath. The home was supplied with a new stainless steel dishwasher and new stainless steel electric stove. The Kitchen was updated with new counter tops and ceramic back-splash, new diagonally set tile flooring in kitchen and bathrooms, the wood floors were refinished, new carpeting installed in one bedroom and a newly finished basement. The home sits on .60 acres and includes two sheds, providing lots of storage space. Another great feature is the large, fully floored, walk-up attic for even more storage. This home is all fixed up and ready to move in. Don't forget to take the Virtual Tour of this home.
