PROPERTY DESCRIPTION

Also for Rent for \$1,550 a month. This little Ranch is a polished gem! It needed some real attention and that's EXACTLY what it got. Updated, replaced, rehabbed, fixed, refinished and polished. Updated bath with a brand new half bath added, new stainless steel Dishwasher and Electric Stove are included, new counter tops with ceramic back-splash, new diagonally set tile flooring in kitchen and bathrooms, refinished wood floors and new carpeting in one bedroom and in the newly finished basement. This home was originally a 2 bedroom, one bath but has been converted to a 3 bedroom, one and a half baths. It even sits on .60 acres, most of which is level and gives plenty of room for the kids to play. Also included are two sheds, providing lots of storage space. Another great feature is the large, fully floored, walk-up attic for even more storage or could even be turned into another bedroom. This home is at it's finest, all fixed up and ready to move in. We encourage you to see it for yourself. Call for an appointment today before it's gone!
